

Remarks

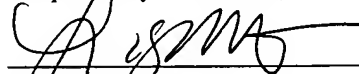

The Amendment

The claims inadvertently contained two claims numbered as claim 3. The second occurrence of claim number 3 has been cancelled and added as new claim number 42. This amendment adds no new matter and is not a narrowing amendment. The amendment merely re-numbers the second occurrence of claim number 3 as new claim 42. Applicants respectfully request entry of this preliminary amendment.

Date:

12/29/03

Respectfully submitted,

Lisa M.W. Hillman
